

Side Letter of Agreement 2011-12.4

Cabrillo Community College District (District) and the Cabrillo College Federation of Teachers (CCFT)

Faculty Service Areas: Appendix U, Appendix V, Appendix W

In November 2010, the Faculty Senate approved changes to the disciplines listed on Appendix U, in order to align them with the statewide disciplines approved by the Academic Senate for California Community Colleges.

In response to these changes, CCFT and the District, in consultation with the Faculty Senate, agreed to make corresponding updates to Cabrillo's Faculty Service Areas (FSAs). Most of the changes were in terminology only. The following modifications were also made:

- A) The following were removed due to lack of currency at Cabrillo:
 - i. Applied Living Arts (ALA)
 - ii. Computer Technology

- B) The following disciplines were combined into one FSA:
 - i. Computer Applications & CABT (BELA)
"Computer Applications" and "Computer Applications and Business Technology" (CABT) were combined under the "Office Technologies" discipline with a "CABT" FSA.
 - ii. Psychology (HASS)
"Psychology," "Physiological Psychology" and "Social Psychology" were combined under "Psychology" as a discipline and also a FSA.

- C) The following disciplines and FSAs were modified:
 - i. "Disabled Students" and "Disabled Student Services" disciplines and FSAs were changed to "Special Education: Counseling (DSPS)," "Special Education: Learning Disabilities (DSPS)," and "Special Education: Speech & Language Disabilities (DSPS)."
 - ii. Interdisciplinary Studies (BELA)
"Interdisciplinary Studies" was added as a discipline with a "Bilingual Bicultural Studies" and "Digital Management and Career Preparation" (DMCP) listed as two separate FSAs.
 - iii. Stroke Center (HAWK)
What was previously listed as the "Stroke Center" discipline and FSA is now listed as three separate disciplines and FSAs: "Special Education: Adaptive Physical Education (Stroke Center)," "Special Education: Counseling (Stroke Center)," and "Special Education: Speech & Language Disabilities (Stroke Center)."

- D) The following was added as an FSA:
 - i. Children's Center

CCFT and the District agree to implement the revised Appendices U, V and W as of September 26, 2011. In the case that unforeseen issues arise as a result of these changes, CCFT and the District will meet immediately to resolve the issue; the intent of negotiations shall be followed.
